Note.

3. With reference to the first

clared under G.P no. $\frac{1288.88}{L.B.P. 190.201}$ of the

was acquired and demolished, that
the persons asked have all built

given small loans to help them
to complete their houses, that while
the acquisition of the houses in the

houses referred to above was in progress

sanction to advances & the extent of
Rs 1650/- being made to Holeyars (re-
ceived just now from the Plagne Branch)
is herewith submitted. (vide G.P. no. ¹⁸⁴⁷⁸⁻⁹
₁₈₃₃
D 23.5.1902). It will be seen from
that order that sanction was accorded
to the President's proposal, as the Board
took upon themselves the responsibility
of making the advances to Holeyars on
the security of their houses and sites.
The amount of Rs 1650/- was considered
as a loan from State Funds to the
Mysore City Municipality repayable
in 3 yearly instalments without interest.
A provision of Rs 10000/- has been made
in the current year's City Municipal
Budget for "repayment of loans".

Submitted for
on 16/6/03
The point for consideration
is whether the financial condition
of the Municipality admits of the

Balance of the advance of Rs 677-12-
made to the Holayers from the loan
of Rs 1650⁺, taken by Government,
being written off the accounts, the
Municipality continuing to pay the
instalments as agreed to by them

It may be submitted that the
Municipality is now in a better
condition than the persons who
have built houses in the Jaalapur
Extension, but still the Board
recommends anything that may
be ~~asked~~ asked for without reference
to its own financial position.

It seems necessary that a definite
ruling should be passed by Govt.
in the case of this & the Baglone
City Municipality that unless
the Board is in a position to show
how a certain ^{grant or} expenditure is to
be met, no recommendations of the Board
should be asked for the sanction of Govt.

Your Most Gracious Highness,

We the undersigned residents of Lingiri Halageri, at present, settled in the Jalpury Extension, with profound respect humbly beg your Highness to take the following few lines into your Highness' favorable consideration.

1. We are very thankful to your Highness and the Government, for having kindly granted us the spacious plot of ground in the Jalpury Extension as well as for having opened spacious roads and the water supply at our quarters.

2. One former house behind the Lachcha Church compound formed the most congested and the most insanitary block of the town, instead of which by the favor of your Highness and the Government, we have built new houses on sanitary principles, under the benign supervision of the Municipality, in the above Extension.

3. Fifty eight persons of the said Halageri have received from the Municipal Board sums of money from 15. to 50 Rs each and have to pay the Municipality in 20 instalments of which 4 instalments have been paid, the compensation money fallen short of the expenses.

4. Now, we find it totally impossible in these days ^{most of us} of plague and scarcity, living by cooly, a 15-20 month life, we most respectfully prostrating at your august feet beg your Highness to order the demolition of the remaining block inhabited by our kinsmen so that we all may share the same blessing of healthy locality and the remission of the debt we have to repay the Municipality in 16 months more and to call the Extension after your Highness' name for which set of 15-20 Rs an act of charity, we shall ever pray for, your Highness, well fare and prosperity.
